COVID-19 update for Vetpath Laboratory Services - 31st January 2021

Perth Metropolitan area, Peel and South West regions have entered a 5 day full lock-down until 6pm Friday 5th February, based on health advice after a positive COVID 19 case was detected in a hotel quarantine worker.

For more information refer to:

<https://www.wa.gov.au/government/covid-19-coronavirus>

<https://www.wa.gov.au/government/announcements/perth-metro-peel-and-south-west-enter-hard-lockdown>

As an essential service, testing at our main laboratory in Ascot will proceed as normal.

Protection of our people and our referring veterinarians is paramount

- Our couriers will be complying with the Western Australian government requirements of the wearing of face masks at all times when outside of places of residence. They have been well briefed on social distancing and they will do their best to reduce human to human contact when they collect samples.
- Where possible, we ask that samples are placed in a lockbox or esky, and that you specify this and any other pickup instructions at the time of booking our courier with one of our personnel on 08 9259 3600.
- As well, please assist us by providing any changes to your clinic operating hours or days of operation by emailing Vetpath.Reception@vetpath.com.au

If you have any further questions, please do not hesitate to contact the Vetpath team.

Thank you and stay safe,

Vetpath Laboratory Services team
